

Christian Educator Discount

Ambassador Christian School is committed to making Christ-centered education more accessible for families by offering a tuition discount for children of **full-time Christian staff and faculty**. This discount is designed to assist with tuition costs for faculty and staff currently employed by faith-based schools whose beliefs are in alignment with Ambassador's Statement of Faith. We value our partnership with local Christian schools and view this initiative as a meaningful way to support those who are devoted to both academic excellence and spiritual formation in the lives of students.

Eligibility

The Christian Educator Discount applies to faculty and staff with a full-time position at an accredited faith-based school. Eligible families will receive a 10% discount on tuition. Families seeking additional financial assistance beyond the 10% discount are invited to submit a Clarity (moderated tuition) application, which can be accessed through our website.

The application only needs to be submitted once and will remain in effect through the student's graduation, provided that the family member continues full-time employment at an eligible faith-based school. The discount will be discontinued if the educator is no longer employed at the school.
