

## Ambassador Christian School Pastor's Discount Application

### Pastor's Discount

Ambassador Christian School desires to improve the accessibility of ACS for pastors' families and partners with local churches by providing a tuition discount for pastors' children. The purpose of the pastors' discount is to provide assistance toward tuition fees for pastors who are currently employed by a church to help with the costs of Christian education. Partnering with local churches and pastors is an integral part of the mission of Ambassador Christian School.

### Eligibility

The discount applies to families of pastors with a **full-time position** at an established Christian church. Head Pastors, Associate Pastors, and Youth Pastors are all eligible for the discount. Eligible families will receive a 10% discount on tuition. Families seeking additional financial assistance beyond the 10% discount are invited to submit a Clarity (moderated tuition) application, which can be accessed through our website.

The application only needs to be submitted once and will remain in effect through the student's graduation, provided that the family member continues full-time employment at a Christian church. The discount will be discontinued if the educator is no longer employed at the church.
